These Terms and Conditions (“**Terms**”) and the American Honda Privacy Notice, including the American Honda Vehicle Data Privacy Notice (collectively, the “**Acura Privacy Notices**”), set out the terms on which the Acura Division of American Honda Motor Co., Inc. (“**Acura**”, “**we**”, “**our**” or “**us**”) will provide you (“**you**” or “**your**”) access to and use of AcuraLink and the Connected Vehicle Services (see Section 1 below) and how we collect, use and share your personal information.

THESE TERMS CREATE A BINDING LEGAL AGREEMENT BETWEEN YOU AND ACURA AND INCLUDE A DISPUTE RESOLUTION AND ARBITRATION PROVISION UNDER WHICH CERTAIN CLAIMS MAY NOT BE BROUGHT IN COURT OR DECIDED BY A JURY. PLEASE READ THESE TERMS CAREFULLY. By indicating acceptance of these Terms, or by downloading, installing, or using the Mobile App, or by otherwise using AcuraLink or any of the Connected Vehicle Services, you are entering into a legally binding agreement with Acura. IF YOU DO NOT AGREE TO THESE TERMS, INCLUDING THE DISPUTE RESOLUTION AND ARBITRATION PROVISION IN SECTION 17, AND THE ACURA PRIVACY NOTICES, DO NOT USE ACURALINK OR ANY OF THE CONNECTED VEHICLE SERVICES, AND IMMEDIATELY DELETE AND PURGE THE MOBILE APP FROM YOUR MOBILE DEVICE (AS DEFINED IN SECTION 7 BELOW).

1. Description of AcuraLink.

a. *General.* AcuraLink gives you access to interactive features and digital services that are intended to enhance your user experience (“**Connected Vehicle Services**”). The Connected Vehicle Services may be provided directly by Acura, by our service providers, or by an Independent Provider (as defined below). Not all Connected Vehicle Services are available on all Vehicles and some Connected Vehicle Services are subject to separate terms and conditions (“**Connected Vehicle Service Terms**”) in addition to these Terms. For information about Connected Vehicle Services available for your Vehicle, please visit: <https://mygarage.honda.com/s/acuralink-marketing>. If you wish to receive any of the Connected Vehicle Services with separate Connected Vehicle Service Terms, at the time of enrollment or registration, you will be provided with a copy of, and will be required to accept, the applicable Connected Vehicle Service Terms.

b. *Independent Providers.* In some cases, you may use AcuraLink to access Connected Vehicle Services provided by independent third parties (each, an “**Independent Provider**”). For the Connected Vehicle Services provided by Independent Providers, Acura is acting solely as an intermediary between you and the Independent Provider. Each Independent Provider may have its own separate terms of use and privacy notice and you may be required to accept an Independent Provider’s additional terms of use in order to access the applicable Connected Vehicle Services. Acura does not endorse, and hereby disclaims all liability or responsibility to you or any other person for, any services provided by an Independent Provider.

c. *Children.* Acura does not knowingly collect personal information from persons less than 13 years of age without verifiable parental consent. If Acura learns that personal information of persons less than 13 years of age has been collected without verifiable parental consent, Acura will take the appropriate steps to delete such information. To make such a request, please contact Acura by mail at American Honda Motor Co., Inc., ATTN: Acura Client Relations, 1919 Torrance Blvd., Mail Stop: CHI-4, Torrance, CA 90501 or by phone at 1-800-382-2238.

d. *Changes to AcuraLink, Connected Vehicle Services and Terms.* To the extent permitted by law, Acura reserves the right, in its sole discretion, to modify AcuraLink and the Connected Vehicle Services at any time, without notice to you. Acura also from time to time may change these Terms prospectively. If we do so, we will change the “last updated” date on these Terms and, where required by applicable law, provide you with appropriate notice. You agree that your continued use of AcuraLink or any of the Connected Vehicle Services constitutes your agreement to the amended Terms. If you do not agree to any amended Terms, **DO NOT USE ACURALINK OR ANY OF THE CONNECTED VEHICLE SERVICES.** You may not amend or modify these Terms except by way of an express writing signed by Acura.

e. *Term.* These Terms become effective immediately when you are granted access to AcuraLink or any of the Connected Vehicle Services and shall remain in effect (and if amended, as amended) until your use of AcuraLink and all of the Connected Vehicle Services is terminated in accordance with Section 23 below. **IF YOU SELL OR OTHERWISE TRANSFER YOUR VEHICLE, IF YOUR VEHICLE LEASE ENDS, OR IF YOUR VEHICLE IS DESTROYED, YOU AGREE TO NOTIFY ACURA PROMPTLY. IF YOU DO NOT NOTIFY ACURA, YOU WILL REMAIN RESPONSIBLE FOR ALL ACTIVITIES ASSOCIATED WITH THE VEHICLE, ACURALINK AND THE CONNECTED VEHICLE SERVICES.**

f. *Notifications; Notice; Questions.* You agree that all notifications or notices required under these Terms may be provided to you by the email address you have provided to Acura, to the extent permitted by applicable law. All notifications are deemed given when Acura sends the email message (or, if a valid alternative method is used, whenever such message is sent by Acura). You also agree that Acura may contact you in your Vehicle or by telephone (including through automatic dialing technology, to the extent permitted by applicable law) at any number Acura has on file for you, including any cellular phone number you provide to us, even if doing so may result in additional telecommunications fees or charges to you, to discuss your account or to provide any Connected Vehicle Services. All notifications or notices required under these Terms to be provided to Acura and questions or comments that you have about these Terms, AcuraLink or the Connected Vehicle Services may be sent to:

American Honda Motor Co., Inc.
ATTN: Acura Client Relations
1919 Torrance Blvd., Mail Stop: CHI-4, Torrance, CA 90501

and shall be deemed given when Acura receives them. Notifications or notices under these Terms to Acura require that an additional copy be sent to:

ATTN: General Counsel

Questions or comments also may be directed to 1-800-382-2238.

2. **Privacy Notice.** AcuraLink and the Connected Vehicle Services may utilize information collected from you, your Mobile Device, or the Vehicle. The Acura Privacy Notices, which are incorporated into and made a part of these Terms by this reference, explain how Acura collects, maintains, uses, and discloses your personal information, including (a) information provided by or collected from you when you use

AcuraLink, (b) information that the Vehicle collects, generates, records, or stores in electronic form, which is retrieved from the Vehicle, typically wirelessly, by Acura or on our behalf, and which is linked or reasonably linkable to (i) the Vehicle from which the information was retrieved, (ii) the owner(s)/lessee(s) of the Vehicle, (iii) a connected smart device, or (iv) a registered user of Connected Vehicle Services; and (c) information you provide when subscribing or registering for Connected Vehicle Services. You can access the current American Honda Privacy Notice online at <https://www.Honda.com/privacy/privacy-notice> and the current American Honda Vehicle Data Privacy Notice at <https://www.Honda.com/privacy/connected-product-privacy-notice>. You also may request a copy of the Acura Privacy Notices by writing or calling Acura at the mailing addresses or customer care telephone numbers provided in these Terms. The Acura Privacy Notices take precedence over any previous privacy notices that Acura has issued related to AcuraLink or the Connected Vehicle Services. By agreeing to these Terms (including downloading, installing, using, and providing information to or through AcuraLink or the Connected Vehicle Services), you are accepting and agreeing to the Acura Privacy Notices, as each may be modified from time to time in accordance with its terms, including your consent to all actions taken by Acura with respect to your information in compliance with the Acura Privacy Notices. IF YOU TRANSFER YOUR VEHICLE OR ANY MOBILE DEVICE THAT IS CONNECTED TO ACURALINK OR ANY OF THE CONNECTED VEHICLE SERVICES, YOU ARE SOLELY RESPONSIBLE FOR DELETING INFORMATION ABOUT YOU CONTAINED IN THE VEHICLE, YOUR MOBILE DEVICE, OR IN YOUR RELATED ACCOUNT(S).

You acknowledge that when you download, install, or use AcuraLink or the Connected Vehicle Services, Acura may use automatic means (including, for example, cookies and web beacons) to collect information about your Mobile Device and about your use of AcuraLink or the Connected Vehicle Services. You also may be required to provide certain information about yourself as a condition to downloading, installing, or using the Mobile App or certain of its features or functionality. AcuraLink and the Connected Vehicle Services may provide you with opportunities to share information about yourself with others. All information Acura collects through or in connection with AcuraLink and the Connected Vehicle Services is subject to the Acura Privacy Notices.

3. Registration. In order to download and install the Mobile App, and to use certain parts of AcuraLink or certain Connected Vehicle Services, you may be required to provide us with your first name, last name, email address, telephone number and/or vehicle identification number (VIN), to create a password and to register with us. We also may request additional information from you. You represent and warrant to us that you will provide us with accurate, current, and complete registration information. You are responsible for your registration, and for all use of AcuraLink and the Connected Vehicle Services using any user credentials or passwords issued to you or chosen by you. You will keep all such credentials and passwords confidential.

You understand that you can help prevent unauthorized access by logging out of AcuraLink and the Connected Vehicle Services. You agree to notify Acura immediately at 1-800-382-2238 of any unauthorized use of your user credentials or passwords. Acura maintains the exclusive right to control access to AcuraLink and the Connected Vehicle Services. You understand and agree that Acura reserves the right to revoke your registration at any time without notice or cause, for any reason whatsoever.

4. Representations about You. If you are at least eighteen (18) years of age, you represent that you have the capacity and authority to enter into these Terms and you are only entering into these Terms on your own behalf. If you are under eighteen (18) years of age, you represent that your parent or legal guardian has accepted these Terms on your behalf and that such parent or legal guardian has the capacity and authority to enter into these Terms. You represent and warrant to Acura that (a) your performance under these Terms and use of AcuraLink and the Connected Vehicle Services will comply with all applicable laws, rules and regulations (including export control, privacy and obscenity laws), domestic or foreign; (b) you are not located in a country that is subject to a U.S. Government embargo, or that has been designated

by the U.S. Government as a “terrorist supporting” country; and (c) that you are not listed on any U.S. Government list of prohibited or restricted parties.

5. Use of AcuraLink. Subject to your compliance with all of the terms and conditions herein, you are permitted to use AcuraLink and the Connected Vehicle Services solely for your own personal, non-commercial use. You are permitted to download, install, and use one copy of the Mobile App for your personal, non-commercial use. You agree that it is your responsibility to use AcuraLink and the Connected Vehicle Services only when it is safe to do so and in a responsible manner, including abiding by all applicable laws, rules and regulations regarding the use of AcuraLink, the Connected Vehicle Services or any devices associated with AcuraLink or any of the Connected Vehicle Services (e.g., any laws relating to use of mobile devices while driving). Without limiting the foregoing, it is your sole responsibility to exercise discretion and to observe all safety measures required by law, traffic rules and traffic regulations while accessing or using AcuraLink and the Connected Vehicle Services. You further agree that you will use the Connected Vehicle Services only with a Vehicle that you are authorized to control.

You must not, and must not permit any third party to: (a) use AcuraLink or any of the Connected Vehicle Services in any way that would violate the rights of any person; (b) impersonate any person or entity; (c) harvest or otherwise collect information about others from AcuraLink or any of the Connected Vehicle Services; (d) take any action that imposes or may impose an unreasonable or disproportionately large load on AcuraLink or any of the Connected Vehicle Services, or bypass any measures we may use to prevent or restrict access to any portion of AcuraLink or any of the Connected Vehicle Services (or other accounts, networks or services connected thereto); (e) use manual or automated software, devices, or other processes to “crawl”, “scrape” or “spider” any of AcuraLink or the Connected Vehicle Services or otherwise to copy, obtain, propagate, distribute or misappropriate any information or other content from AcuraLink or any of the Connected Vehicle Services, including any Acura Property (defined in [Section 14](#) below); (f) distribute, rent, lease, lend, sell, license, assign, export, import, convey, or otherwise make available or grant rights in AcuraLink or any of the Connected Vehicle Services, or any information or other content obtained therein to any third party, except as expressly permitted herein; (g) otherwise interfere in any manner with the use or operation of AcuraLink or any of the Connected Vehicle Services; or (h) use AcuraLink or any of the Connected Vehicle Services for any commercial purpose, including in the development, directly or indirectly, of any product, software or service that offers any functionality substantially similar to, derivative of, or competitive with, AcuraLink or any of the Connected Vehicle Services, or any other Acura product, software or service.

You further must not, and must not permit any third party to: (i) modify or create any derivative work of AcuraLink or any of the Connected Vehicle Services; (ii) reverse engineer, decompile or disassemble AcuraLink or any of the Connected Vehicle Services, in whole or in part; (iii) make a copy (other than a backup copy) of AcuraLink or any of the Connected Vehicle Services or any part thereof (other than as expressly permitted herein); (iv) use or install AcuraLink or any of the Connected Vehicle Services on a network or for online use; (v) remove, modify or obscure any copyright, trademark, or other proprietary notice, author attributions, legal notices or other labels appearing within AcuraLink or any of the Connected Vehicle Services; or (vi) export or transport AcuraLink or any of the Connected Vehicle Services into any country in violation of any U.S. or other export laws and regulations.

6. Feedback. If you provide to us (directly or indirectly, and by any means) any comments, feedback, suggestions, ideas, or other submissions, including any that are related to AcuraLink or any of the Connected Vehicle Services (collectively “**Feedback**”), the Feedback will be the sole property of Acura. We will be entitled to use, reproduce, modify, disclose, display, publish, perform, broadcast, distribute, and otherwise exploit in any manner, all Feedback, without restriction and without compensating you in any way. We have no obligation to maintain any Feedback in confidence, or to respond to any Feedback.

7. Equipment Requirements.

a. To properly use AcuraLink and one or more of the Connected Vehicle Services, you must have equipment that meets at least the following minimum requirements (“**Equipment Requirements**”):

- i. Compatible mobile device as listed on <http://www.handsfreelink.com/Acura> (each, a “**Mobile Device**”);
- ii. Internet connection through Wi-Fi or cellular network connection and any appropriate data plan;
- iii. Appropriate security on the Mobile Device (e.g., no alterations to device security). A certain level of device security or security protocols is required so, for example, jail-broken or rooted mobile devices might not be supported; and
- iv. Certain mobile devices may require an HDMI cable, USB cable, or audio-video adapter to connect and operate the Connected Vehicle Services within the Vehicle.

Equipment Requirements may change at any time, without notice, and further access to AcuraLink and the Connected Vehicle Services may require acceptance of additional agreements or a newer version of these Terms. For example, the Mobile App through which one or more of the Connected Vehicle Services is provided may be made obsolete by a newer version, which may require updating an operating system and/or downloading a new version of the applicable Mobile App and accepting a newer version of these Terms or the applicable Connected Vehicle Service Terms. By using the Mobile App, you further agree that Acura may change, alter, or modify the settings or configurations on your Mobile Device used to store or access the Mobile App in order to allow for or optimize your use of the Mobile App. The Mobile App may include digital rights management controls and other technical measures to control access to the Mobile App, prevent unauthorized copies, or otherwise attempt to prevent anyone from exceeding the limited rights and licenses granted under these Terms. You may not interfere with such access control measures or attempt to disable or circumvent such security features.

b. In order to access and receive certain Connected Vehicle Services, you must have an active and properly functioning factory-installed audio system in your Vehicle, you must be a registered user of AcuraLink and, for certain Vehicles, have an Acura ID, you must be within range of appropriate communications networks and/or Wi-Fi access and global positioning satellites, and you must accept the applicable Connected Vehicle Service Terms (which may set forth additional requirements and limitations).

8. **Updates.** Acura may from time to time in its sole discretion develop and provide updates to AcuraLink and the Connected Vehicle Services, which may include new versions, upgrades, bug fixes, patches and other error corrections and/or new features (collectively, including related documentation, “**Updates**”). Updates may also modify or delete in their entirety certain features and functionality. You agree that Acura has no obligation to provide any Updates or to continue to provide or enable any particular features or functionality. Based on your Mobile Device settings, when your Mobile Device is connected to the Internet either: (a) the Mobile App will automatically download and install all available Updates; or (b) you may receive notice of or be prompted to download and install available Updates. You shall promptly download and install all Updates and acknowledge and agree that the Mobile App or portions thereof may not properly operate should you fail to do so. You further agree that all Updates will be deemed part of AcuraLink and the Connected Vehicle Services and be subject to all of these terms unless they are subject to a different Acura license agreement. Acura reserves the right to discontinue AcuraLink or the Connected Vehicle Services and to discontinue supporting the Mobile App or its network, in whole or in part.

9. **Fees, Costs and Other Expenses.** AcuraLink and the Connected Vehicle Services make use of a data network operated by your wireless or Internet service provider to send data among your Mobile Device, your Vehicle, and Acura’s, our service providers’ and, if applicable, Independent Providers’ and third-party

services', servers and call centers. **Depending on your data plan, you may incur charges from your wireless or Internet service provider for use of its network and/or for specific services such as transferring vehicle data to Acura, our service providers, and, if applicable, Independent Providers and third-party services, making phone calls, sending or receiving text messages and/or emails or other services. You are solely responsible for any and all costs you incur as a result of your use of AcuraLink and the Connected Vehicle Services.**

10. Note Regarding Certain Connected Vehicle Services

a. *Note Regarding AcuraLink Assist Automatic Collision Notification & Assistance Request* (the "AcuraLink Assist Services"). The AcuraLink Assist Services are dependent upon cellular connection availability, Bluetooth® HandsFreeLink® phone connectivity with the Vehicle, GPS satellite signal reception, and enabling this notification via the multimedia system, each of which can limit the ability to reach either the AcuraLink response center or to receive support.

When our service provider receives a crash notification and/or request for assistance from your connected Bluetooth® HandsFreeLink® phone, our service provider will first attempt to verify your request, and then, if appropriate, contact third party responders to respond to your incident. **You understand that neither Acura nor our service provider can assure you, or make any guarantees, about the manner or timeliness of such third party response or whether third party responders will respond to your incident in a timely manner or at all.** YOUR VEHICLE HAS TO HAVE ACURALINK ASSIST SERVICES, A WORKING ELECTRICAL SYSTEM (INCLUDING ADEQUATE BATTERY POWER), A BLUETOOTH® HANDSFREELINK® PHONE THAT IS CONNECTED TO THE VEHICLE, AN ACTIVE CELLULAR SERVICE ACCOUNT FOR YOUR BLUETOOTH® HANDSFREELINK® PHONE, AND CONNECTION TO CELLULAR SERVICE FOR THE AUTOMATIC COLLISION NOTIFICATION AND REQUEST FOR ASSISTANCE FEATURES TO OPERATE.

Important Message Regarding Your Wireless Carrier

The AcuraLink Assist Services are not a service of your wireless carrier. If you use the AcuraLink Assist Services, it may require your wireless carrier to disclose your customer information, including location information, to Acura's telematics service provider, its subcontractors engaged in providing the AcuraLink Assist® Services, or other third parties to respond to your request. By using the AcuraLink Assist Services, you authorize your wireless carrier to disclose your information to our telematics service provider, its subcontractors, and other third parties, in each case, to enable the AcuraLink Assist Services. Refer to the American Honda Vehicle Data Privacy Notice for more information about how the AcuraLink Assist Services will collect, maintain, use, and disclose your information. If you aren't comfortable with the AcuraLink Assist terms, don't use it. You acknowledge and agree that (i) your relationship with Acura is separate from your relationship with your wireless carrier; (ii) your wireless carrier is not responsible for the AcuraLink Assist Services; and (iii) you will hold harmless your wireless carrier and its subsidiaries, affiliates, officers, employees, agents, successors and assigns from any judgments, claims, actions, losses, liabilities or expenses arising from or attributable to the AcuraLink Assist Services or the acts or omissions of Acura or its subcontractors providing the AcuraLink Assist Services.

b. *Note Regarding Connected Vehicle Services That Use Location. Applicable only to Android Users.* Connected Vehicle Services that require your location, such as locating your parked car or when you make a request for directions to find a point of interest or an address, use the services of Google. Your use of these Connected Vehicle Services constitutes your acceptance of the Google Maps/Google Earth Additional Terms of Service, which may be found here: https://www.google.com/intl/en-US_US/help/terms_maps.html, including the Google Privacy Policy found here: <https://www.google.com/intl/ALL/policies/privacy/index.html>. If you do not agree to the Google Maps/Google Earth Additional Terms of Service or Google Privacy Policy, do not use Connected Vehicle Services that require your location.

11. Cloud Services. Without limiting the disclaimers and limitations of liability set forth in Section 15, you acknowledge and agree as follows: (a) AcuraLink and the Connected Vehicle Services are provided to you using cloud computing services of one or more third party cloud providers; (b) the cost at which we could afford to offer AcuraLink and the Connected Vehicle Services would vary if we provided AcuraLink and the Connected Vehicle Services other than using the cloud services provided by the cloud providers; and (c) we shall not be responsible or liable to you for any act, omission or failure of any of these cloud providers.

12. Third-Party Services. AcuraLink and the Connected Vehicle Services may depend upon, interact with or enable access to third-party services to connect to information, other content, services, websites, or hardware, including your Mobile Device, the network provided by your wireless or Internet service provider, your browser, email and SMS programs, dialer and other applications, which may in each case be accompanied by separate terms of use. Use of a third-party service may require that you accept additional terms of use. You must comply with the applicable terms of use when using the third-party service, AcuraLink and the Connected Vehicle Services. Acura cannot assure you that these third-party services will function correctly with AcuraLink or the Connected Vehicle Services, either now or at some future time. Acura does not endorse, and hereby disclaims all liability or responsibility to you or any other person for, any of these third-party services.

13. Links and External Websites. AcuraLink and the Connected Vehicle Services may contain links to and from websites. Acura makes no representations whatsoever about any other website that you may access from AcuraLink or through the Connected Vehicle Services. Acura is not responsible for the privacy practices or content of those websites and Acura expressly denies any liability whatsoever for use of such websites. It is up to you to take precautions to ensure that whatever you select for your use is free of items of a destructive nature.

14. Our Intellectual Property Rights. AcuraLink and the Connected Vehicle Services (including Acura Property, as defined below) are the property of, or are licensed by, American Honda Motor Co., Inc. or the applicable Independent Provider, and are subject to copyright and other intellectual property protection. All the software, algorithms, functionality, inventions, concepts, text, images, sound, music, videos, marks, logos, compilations, content and technology used to deliver AcuraLink and the Connected Vehicle Services or otherwise embodied in, displayed through, or provided directly or indirectly (e.g., emails or other communications from us to you) via, AcuraLink and the Connected Vehicle Services are “**Acura Property.**” Except as otherwise expressly permitted by these Terms, any use, copying, making derivative works, transmitting, posting, linking, deep linking, framing, redistribution, sale, decompilation, modification, reverse engineering, translation or disassembly of Acura Property is prohibited. You acknowledge that Acura Property has been created, compiled, developed and maintained by or on behalf of Acura or the applicable Independent Provider at great expense of time and money such that misappropriation or unauthorized disclosure or use of Acura Property by others for commercial gain would unfairly and irreparably harm us or the applicable Independent Provider in a manner for which damages would not be an adequate remedy, and you consent to our obtaining injunctive relief to restrain any breach or threatened breach of these Terms, without any requirement to post bond. You may be subject to criminal or civil penalties for violation of this paragraph.

The ACURA name and logos are registered trademarks of Honda Motor Co., Ltd. You may not use the trademarks, or any of our other marks or logos, in any manner, including any use that is likely to cause confusion or that disparages or discredits us, without our consent. AcuraLink and the Connected Vehicle Services also may also feature the trademarks, service marks, and logos of third parties, and each owner retains all rights in such marks. Any use of such marks, or any others displayed on AcuraLink or the Connected Vehicle Services, will inure solely to the benefit of their respective owners.

Subject to the terms and conditions herein, we grant you the non-exclusive, limited, revocable right to access and use Acura Property solely to the extent necessary for you to use AcuraLink and the Connected Vehicle Services for your own personal, non-commercial use, as permitted by these Terms. We reserve all other rights.

15. DISCLAIMER OF WARRANTIES; LIMITATION ON LIABILITY.

YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW: (a) ALL USES OF ACURALINK AND THE CONNECTED VEHICLE SERVICES, INCLUDING THEIR QUALITY, PERFORMANCE, ACCURACY AND RELIABILITY, ARE AT YOUR SOLE RISK; (b) ACURALINK AND THE CONNECTED VEHICLE SERVICES, INCLUDING ANY INFORMATION PROVIDED IN CONNECTION THEREWITH, ARE PROVIDED “AS IS” AND “AS AVAILABLE”, WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND; AND (c) ACURA HEREBY DISCLAIMS ALL WARRANTIES AND CONDITIONS WITH RESPECT TO ACURALINK, THE CONNECTED VEHICLE SERVICES AND INFORMATION PROVIDED BY OR IN CONNECTION WITH ACURALINK AND THE CONNECTED VEHICLE SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS. AS EXAMPLES, AND WITHOUT LIMITATION, ACURA DOES NOT GUARANTEE AND DISCLAIMS ANY WARRANTY REGARDING THE ACCURACY OF DATA PROVIDED BY THE CONNECTED VEHICLE SERVICES, SUCH AS NEWS, TRAFFIC, POINTS OF INTEREST, OR OTHER CONTENT PROVIDED BY ACURA, OUR AFFILIATES, OUR SERVICE PROVIDERS, INDEPENDENT PROVIDERS OR BY OR THROUGH THIRD-PARTY SERVICES; ACURA DOES NOT GUARANTEE AGAINST LOSS OF DATA, WHICH MAY BE LOST AT ANY TIME; AND ACURA DOES NOT GUARANTEE THAT THE CONNECTED VEHICLE SERVICES, INCLUDING THE ACURALINK ASSIST SERVICES, WILL BE PROVIDED AT ALL TIMES OR THAT ANY OR ALL CONNECTED VEHICLE SERVICES WILL BE AVAILABLE AT ANY PARTICULAR TIME OR AT YOUR LOCATION. FOR EXAMPLE, CONNECTED VEHICLE SERVICES MAY BE UNAVAILABLE IN YOUR AREA OR LOCATION. We may pause or interrupt AcuraLink or any of the Connected Vehicle Services at any time, and you should expect periodic downtime for updates to AcuraLink and the Connected Vehicle Services. In addition, you understand that changes in third party technology or government regulation may render AcuraLink or any of the Connected Vehicle Services obsolete or unusable. No advice or information, whether oral or written, obtained by you from Acura, our affiliates, our service providers, an Independent Provider or through AcuraLink, any of the Connected Vehicle Services, or a third-party service will create any warranty.

TO THE EXTENT NOT PROHIBITED BY LAW, IN NO EVENT SHALL ACURA OR OUR AFFILIATES OR LICENSORS BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO THESE TERMS OR YOUR USE OF, MISUSE OF, OR INABILITY TO USE ACURALINK, THE CONNECTED VEHICLE SERVICES, OR INFORMATION ON ACURALINK OR ANY OF THE CONNECTED VEHICLE SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF ACURA OR ITS AFFILIATES OR LICENSORS WERE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

IN NO EVENT SHALL ACURA’S OR ANY OF OUR AFFILIATE’S OR LICENSOR’S TOTAL LIABILITY TO YOU FOR ALL DAMAGES (OTHER THAN AS MAY BE REQUIRED BY APPLICABLE LAW IN CASES INVOLVING PERSONAL INJURY) ARISING OUT OF OR

RELATING TO THESE TERMS AND YOUR USE OR POSSESSION OF ACURALINK OR THE CONNECTED VEHICLE SERVICES EXCEED THE AMOUNT OF TEN DOLLARS (\$10.00).

THE FOREGOING LIMITATIONS WILL APPLY EVEN IF THE ABOVE STATED REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

SOME STATES AND JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF WARRANTIES OR OF LIABILITY FOR CERTAIN TYPES OF DAMAGES, SO SOME OF THE ABOVE LIMITATIONS OR EXCLUSIONS MAY NOT APPLY TO YOU.

You should contact Acura concerning any defects or performance issues in AcuraLink or the Connected Vehicle Services using the contact information provided below. We will make reasonable efforts to respond to questions relating to AcuraLink or the Connected Vehicle Services, but make no representation or warranty that we will resolve all questions or that questions will be answered within a given time. Acura shall be under no obligation to provide any other support or maintenance services for AcuraLink or the Connected Vehicle Services. The market or application store from where you downloaded the Mobile App has no responsibility to provide support and maintenance for the Mobile App or its installation, and all requests for any support and maintenance, and any complaints, with respect to AcuraLink or the Connected Vehicle Services should be addressed to American Honda Motor Co., Inc., ATTN: In-Car Technology Support, 1919 Torrance Blvd., Mail Stop: 500-2N-7A, Torrance, CA 90501 or by phone at 1-888-528-7876

16. Indemnity. In consideration of Acura providing you access to and use of AcuraLink and the Connected Vehicle Services, to the maximum extent permitted by applicable law, you agree to indemnify Acura, and our affiliates, service providers, agents and licensors, against any and all claims, actions, suits, proceedings, demands, liabilities, losses, damages, costs, expenses and attorneys' fees ("**Liabilities**") arising out of or related to (a) your failure to comply with these Terms or any applicable Connected Vehicle Terms; (b) your access to, use of, failure to use, or inability to use AcuraLink or any of the Connected Vehicle Services; (c) claims for libel, slander, or any property damage, personal injury or death, arising out of or related in any way directly or indirectly to your use of AcuraLink or the Connected Vehicle Services; (d) any activities of anyone other than you in connection with any Connected Vehicle Services conducted through your account or with your user credentials or passwords; or (e) any of your other activities under or in connection with these Terms, AcuraLink or any of the Connected Vehicle Services (but excluding any Liabilities to the extent caused by our gross negligence or willful misconduct). We reserve the right to assume the sole control of the defense and settlement of any claim, action, suit or proceeding for which you are obliged to indemnify us. You will cooperate with us with respect to such defense and settlement.

17. Dispute Resolution and Arbitration

In the event of any dispute arising out of or relating to these Terms (including their interpretation, validity, performance, or breach) (a "**Dispute**"), the Dispute shall be resolved solely as follows. A party shall send a written notice to all affected parties describing the Dispute and any relief requested, including any specific damages claimed. In order to permit the affected parties to attempt to resolve the matter amicably, no arbitral or judicial proceeding may be commenced until the passage of sixty (60) days from the receipt of the written notice.

If the affected parties are unable to resolve the Dispute within the 60-day time period, any Dispute, other than a claim for wrongful death or personal injury, shall be resolved exclusively by binding arbitration administered by the American Arbitration Association (AAA) under its Consumer Rules (information about the AAA and its rules is available at www.adr.org). In the event that the AAA is unavailable or unwilling to administer the arbitration, and the parties are unable to agree to a substitute, a substitute shall be appointed by the court. The arbitration shall be governed by the Federal Arbitration Act, 9 U.S.C. ss. 2, et seq. The obligation to arbitrate under this section shall extend to any claims against any affiliates, officers, directors,

contractors, subcontractors, suppliers, agents, or employees of a party. This provision shall not apply to claims of patent, trademark, or copyright infringement or misappropriation of trade secrets.

To the maximum extent permitted by law, the prevailing party or parties shall be entitled to an award of all costs, expenses, and attorneys' fees reasonably incurred in the successful prosecution or defense of any claim. However, if a claimant recovers less than the respondent's highest written offer made before the commencement of arbitration, the respondent shall be deemed to be the prevailing party for this purpose. The arbitrator shall have authority to issue any and all remedies authorized by law, but the arbitrator shall have no authority to conduct proceedings on a class or aggregated basis without the written consent of all parties; provided, however, that in the event of the filing of over twenty five (25) arbitration claims against Acura or any of its any affiliates, officers, directors, contractors, subcontractors, suppliers, agents, or employees raising substantially the same or similar Dispute, the AAA may at the request of such respondents appoint a single arbitrator or panel of arbitrators to resolve some or all common issues of law or fact.

Notwithstanding the foregoing, any party may at its option file an individual claim in any small claims court for disputes or claims within the scope of its subject matter jurisdiction if such court has personal jurisdiction.

If at any time any party requests mediation, all affected parties shall participate in a mediation directly and not solely through counsel, the requesting party to bear the costs and fees of the mediator(s).

Without derogation of the parties' obligation to arbitrate, for any claims other than those in small claims court, jurisdiction for any court proceedings arising out of or relating to a Dispute shall be vested exclusively in the state or federal courts sitting in and for Los Angeles County, California, U.S.A., except that any judgment thereof or any arbitral award may be enforced in any court of competent jurisdiction. If for any reason a claim proceeds in court rather than through arbitration, you and we each waive any right to a jury trial.

If any part of this dispute resolution and arbitration provision is later deemed invalid as a matter of law, then it shall be severed and the remaining portions of this provision shall remain in effect, with the exception that if a court or arbitrator determines in an action between you and us that the above class action waiver is unenforceable, then this arbitration provision will be void as to you.
